SECTION – C

INSTRUCTIONS TO BIDDER

1. Interpretation of documents

If any bidder should find discrepancies or omission in the specifications or other tender documents, or if he should be in doubt as to the true meaning of any part thereof, he shall make a written request to the tender inviting authority for correction/clarification or interpretation or can put in a separate sheet along with his technical bid document.

2. Splitting of the Contract and Curtailment of Work

WTL reserves the right to split up and distribute the work among the successful bidders and to curtail any item of work in the schedule partly or fully.

3. Payment Terms

Payment terms will be on back-to-back basis, i.e., payment will be made only on receipt of payment from relevant Government customer. A schedule confirmed by our Govt. customer is depicted below:

90% of bill value - On submission of Invoice along with job completion Certificate

10% of bill value - After completion of one year of workmanship Warranty Period

4. Preparation of Tender

Tender shall be submitted in accordance with the following instructions:

- (i) Tenders shall be submitted in the prescribed forms. All signatures shall be in longhand. Where there is conflict between the words and the figures, the words shall govern.
- (ii) All notations must be in ink or type written. No erasing or overwriting will be permitted. Mistakes may be crossed out and corrections typed or written with ink adjacent thereto and must be initialed in ink by the person or persons signing the tender.
- (iii) Tenders shall not contain any recapitulation of the work to be done. Alternative proposals will not be considered unless called for. No written, oral, telegraphic or telephonic proposals for modifications will be acceptable.
- (iv) Tenders shall be delivered to the office as notified on or before the date and time set for the opening of tenders in the Notice Inviting Tenders. The packet of documents including the tender shall be enclosed in sealed envelope having the title of the work and the name of the bidder.
- (v) Tenders subject to any conditions or stipulations imposed by the bidder are liable to be rejected.
- (vi) Each and every page of the tender document must be signed with company seal by the bidder.
- (vii) Any bidder may withdraw his tender by written request at any time prior to the scheduled closing time for receipt of tenders and not thereafter.

5. Opening of Tenders

The tenders shall be opened at the time set forth in the document. Bidders or their authorized representatives (not more than two) may be present and to put their signatures on the records of tender opening as each tender is opened.

6. Assignments

No assignment by the Contractor of any contract to be entered into hereunder of any part hereof, or of funds to be received hereunder by the Contractor, will be recognized by the company unless such assignment has had its prior approval.

7. Deduction of Sales Tax & Income Tax

Deduction of all statutory and necessary Tax from each bill will be made as per Government Order prevailing at the time of payment. Necessary tax deduction certificate will be issued on demand by the Company.

8. Tax Registration Certificate

9. Canvassing

Canvassing or support in any form for the acceptance of any tender is strictly prohibited. Any bidder doing so will render him liable to penalties, which may include removal of this name from the register of approved Contractors.

10. Warranty

Bidder will have to provide one year workmanship warranty from the date of final hand over of the sites along with the material supplied.

11. Warranty Support

The material supplied will be warranted against bad workmanship and manufacturing defects, as mentioned in Bill of Material, from the dated of acceptance of the system whole or part.

12. Delivery

Job to be completed within four weeks from the date of handing over of the site.

13. Liquidated Damage

The job includes the supply and installation of materials mentioned in the tender document. In the event of failure to meet the job completion in stipulated date/time liquidated damage may be imposed on the contractor for sum not less than 0.5% of the contract value for each week or part thereof, subject to a ceiling of 10% of the total contract value (including all taxes & duties and other charges). In the event of LD exceeds 10% of the order value, WTL reserves the right to terminate the contract and WTL will get the job completed by any other competent party. The difference of cost incurred by WTL will be recovered from the contractor. This clause is depending upon location and site size, which will be decided by WTL.

14. Performance Guarantee (PG)

As a guarantee for performance of on-site warranty support, from the date of final acceptance of systems, 10% of the total bill value will be kept on hold (as mentioned in the payment terms clause) as security deposit. In the event of warranty calls not been completed as per requirement terms mentioned in SI.No.11 of this section, for delay of every hour from the maximum downtime 0.5% will be deducted from the 10% amount held as security deposit with WTL. An acceptance of this clause as per the format enclosed in Section – H in non judicial stamp paper will have to be furnished along with the Technical Bid. Non submission of the same will tantamount to cancellation of the BID.

15. The acceptance of the tender will rest with the accepting authority who is not bound to accept the lowest or any tender and reserves the right to reject in part or in full any or all tender(s) received and to split up the work among participants without assigning any reason thereof.

16. If any bidder withdraws his tender before acceptance or refusal within a reasonable time without giving any satisfactory explanation for his withdrawal, he/she shall be disqualified for participation in any tender of WTL and WBSCU for a minimum period of 2 (two) years.

17. The price offers shall remain firm within the currency of contract and no escalation of price will be allowed.

18. The bidder may be present at the time of opening of the Tender. WTL are not answerable for any queries of any bidder who remain absent at that time.

19. Bid Validity

The price quoted must be firm and must remain valid for acceptance upto 240 days from the date opening of Price Bid. The tender inviting authority reserves the right for seeking extension of validity of offered rates from the successful bidder. In exceptional circumstances, WTL may ask for extension of the period of validity and such a request shall be binding on Bidders.

20. Price

- Price should be quoted in the Price Bid format only. No deviation in any form in the Price Bid sheet is acceptable
- Price quoted should be firm, inclusive of packing, forwarding, insurance and freight charges.
